Inoperable Public Water Systems

County	PWSID	PWS Name	Population	Connections	Issue/ Start Date	BWN/Shutdown Reason
					8/30/2017	Generators used only to power a few offices. Facility is off-line and the main potable water line was damaged so no potable water can be distributed. The facility was informed that they needed to issue a boil water notice (BWN) prior to providing water to the facility. Once the distribution system has been adequately flushed and both pressure and disinfectant residual restored, bacteriological samples will need to be collected and once negative then BWN can be rescinded.
